

Dear Parents,

Welcome to Pre-Kindergarten at St. Michael Catholic School! I am so excited to begin working with your child. We have a full year ahead of us filled with fun and engaging learning activities.

I feel honored to have been chosen to teach your child for the 2018-2019 school year. Children learn best when they are respected, nurtured, and cared for. Through hands on instruction, thematic units, and individualized activities, my hope is that your child will gain a better understanding of core concepts taught in pre-kindergarten.

In order to provide a smooth move into the new school year, I have attached a list of supplies that your child will need for Pre-Kindergarten. Please understand that while this list may appear extensive, it is inclusive of ALL supplies your child will need for the entire school year.

I would like to keep an open line of communication. Having a strong home to school connection further helps to aid a child's education in a positive manner. Please do not hesitate to contact me with any questions or concerns. I can be reached via email at pstih@saintmichaelsc.com or through the school office (843) 651-6795.

Have a safe and enjoyable summer break!

May God bless you during your summer break!

Paige Stih
PreK4 Teacher
