

Third Grade Summer Reading

Dear Upcoming Fourth Grade Parents and Students,

It is hard to believe that the school year is over!
I will be so very excited to hear of all your adventures and books you have read this summer.

The required reading will be "Charlotte's Web" written by E.B. White. Students should fill out the book report forms that are attached. Also attached are reading logs to list other books they have read over the summer. Summer reading is essential in developing lifelong reading habits, maintaining literacy skills and promoting reading for pleasure.

Please return forms on the first day back to school to receive a special treat.

Enjoy your summer and reading the book, "Charlotte's Web."

Lots of love,

Mrs. Brainard
