Dear Parents and Future First Graders,

My name is Mrs. DeBlasio and I will be your child's first grade teacher next school year. Summer vacation is here! To help keep your child's skills strong and learning fresh, you may want to try some of the following ideas. Please keep in mind these are only suggestions and are not required.

- Join a summer reading program at your local library.
- Read every day
- Keep a journal
- Practice handwriting
- Practice writing your first and last name
- Practice addition and subtraction facts to 10
- Practice using money and counting coins
- Make flashcards to reinforce math facts or sight words
- Pray daily and go to mass with your family

I look forward to meeting you and working with our “new” first graders in August. I hope these suggestions give you some guidelines to help make the transition into first grade smooth. Have a safe, happy, and healthy summer!

Sincerely,  
Mrs. DeBlasio
