

Welcome

Dear Families,

Welcome to Pre-K 4! I'm so excited to begin this new school year with you and your child. We have a wonderful year ahead, full of learning, growth, and fun!

In our academic Pre-K 4 classroom, your child will explore early reading and writing, practice counting and number skills, and discover the world through science, stories, and hands-on activities. We'll work on recognizing letters and sounds, learning to write our names, identifying shapes, patterns, and so much more.

At the same time, we'll be building important social and emotional skills—like sharing, taking turns, solving problems, and working as part of a group. All of this helps prepare your child for a successful transition to kindergarten.

Our days will be filled with curiosity, creativity, and a lot of joy. I can't wait to get to know your child and watch them learn and grow!

Warmly,

Mrs. Tyler
Pre-K 4 Teacher
